PROFESSIONAL EXPERIENCE

Computer Science Teacher

Adamjee Academy | January 2024 - Present

As a passionate Computer Science teacher for secondary classes, I deliver engaging lessons that blend both theoretical concepts and practical applications. My approach combines hands-on demonstrations with real-world examples, making complex topics accessible and exciting for students. I focus on mentoring students in problem-solving, critical thinking, and logical reasoning, all within a supportive and inclusive classroom environment.

Online Data Entry Intern

Aizah Digital Limited | September 2022 - January 2023

- Apply for job and contract opportunities with finesse, ensuring impactful representation for the agency and maximizing success potential.
- Deliver accurate and timely reports to the CEO, offering comprehensive insights into applied opportunities and progress.
- Provide prompt and comprehensive responses to inquiries throughout the application process, enhancing overall client satisfaction and engagement.
- Target key global hubs, with a keen focus on the United Kingdom, United States, Canada, United Arab Emirates, France, Spain, Australia, and Germany, to explore and seize promising growth opportunities.

Tuition Tutor

Self Employed | January 2022 - Present

- Tailored teaching methods to address individual student needs, including concept explanation, homework assistance, and material review.
- Successfully prepared students for exams through the implementation of effective test-taking strategies, practice with sample questions, and cultivation of strong study skills.
